I like lega

I talk the Lego to play wide my broader Lego. Then
said to my brother "can we play Lego".

I open the Lego to play with my brother. Then he say "yay!"

Then we mail a Kasel with my broder. Then we say "yaaay".

Doaa Al Soul is in the first grade. She is from Lybia but she lives in Korea.

This is her second book. She like to go to the school.
