How to protect the ocean

People are drinking coffee and putting in the ocean and metal in busan songjong beach people find metal in the sand and money and plastic and matiriol.

You can protect ocean by picking up garbage and not do fishing. You can get some partner to help the ocean. And putting trashcan in the risiklingbin.

About the Arthur.

My name is Nicholas. I am in the first grade. I am 7 years old. I was interested in ocean. I was working hard on my book about the ocean. I hope you enjoy my book!

Glossry

Adaptation: Animals' camouflage,
ability to blend in with its
surroundings.
