Dear Grade 1 Families,

The children are coming home with another homework assignment this weekend that relates to our Where We Are in Place and Time unit. They have chosen a topic to research about a specific part of their family history. They have formulated a set of questions to ask you based on their chosen topic. The children can interview one parent or both. You may choose to write down your responses or video the interview. If you choose to video the interview, please send it to me via email or USB. These interviews will be used for our upcoming assembly.

Please let me know if you have any questions.

Thank you so much!
Ms. Waldman
